

«1st Cyprus Energy Symposium»

An International Symposium Organized by IENE and FMW

Nicosia 26th January 2012, Cyprus Hilton Hotel,

Sponsorship Opportunities & Supporters' Benefits

The first Cyprus Energy Symposium is open to sponsorship and financial support from companies and organizations. Sponsors may include organizations and corporations operating within the broader energy field. Organizations and companies from other fields such as banking, financial services shipping and law may also become sponsors. Sponsorship for the convening of this international symposium is necessary as its organization requires high standards for all preparatory work of organization which is a prerequisite for the success of this unique event.

Sponsor's Benefit

Benefits for potential sponsors and supporters of the "1st Cyprus Energy Symposium" include the following:

- 1. The logo and name** of each sponsor or supporter will be displayed in various ways, such as:
 - On the printed announcements which are distributed before the event.
 - On all advertisements that are published in the Press.
 - On the backdrop of the stage and on all the banners which will be located in the areas where the event is being held, as well as on publicity posters.
 - On the event's special pages on the internet, via www.energia.gr and www.iene.gr.
 - On the event's official programme.

- On all printed matter distributed to delegates.
 - On the folder containing the conference documentation, which is given to each delegate upon registration
 - On the video cards projected on the screen during the event.
 - On the cover of the volume containing the conference abstracts and speakers CV's.
2. The possibility for a representative of the sponsor to speak during the event or participate in one of its panel discussions or to coordinate one of its sessions.
 3. The sponsor's name will be mentioned in all press releases which are sent out to the media.
 4. The sponsor's name & logo will appear on the first right-hand page of the volume containing the event's proceedings, or on the cover of the CD with the proceedings, which are published and distributed after the event.
 5. Each sponsor has the opportunity to distribute printed and other material (e.g. CD-ROMs) concerning his business' products and activities during the seminar. This material may be included in the conference folder if it is in the form of a slim brochure. Otherwise it will be displayed next to the registration desk.
 6. Each sponsor or supporter is entitled to register certain number of participants free of charge in the event, chosen from its executives and associates. The number depends on the level of funding to be provided.

All the above describe the normal benefits that a sponsor or supporter of the "1st Cyprus Energy Symposium" may enjoy. According to the particular profile of the supporting organization, it is possible that further benefits can be offered by the organizers which are not included in the above list. Such benefits are mentioned in writing in the "Sponsorship" agreement to be established between the Sponsor/Supporter and the organizers. Interested sponsors or supporters will receive first a written proposal with the detailed list of the specific benefits that can be offered.
